CLASSIC FUNERAL CHARGES - 2022

THE PROFESSIONAL SERVICE

This includes making all necessary arrangements for cremation / burial, preparing and attending to all necessary documentation and the provision of a Funeral Director. The use of a private Chapel of Rest and the provision of a 24 hour service for the assistance of our clients.

THE VEHICLE CHARGE

Provision of a Jaguar hearse (or similar) up to 25 miles total.

THE COFFIN CHARGE

The supply of a fully furnished coffin of your choice from the selection.

DISBURSEMENTS

These include, for example, doctor's fees, church/clergy fees, and burial or cremation fees and are paid by us on your behalf. A detailed breakdown of these disbursements will be provided. Payment will be requested for these amounts prior to the funeral taking place.

ESTIMATE / ACCOUNT

At the time of making the funeral arrangements we will provide a written estimate showing as accurately as possible the total cost of the funeral including disbursements. An account will then be forwarded approximately 7 days after the funeral service; this will be sent to you, unless you instruct us to send it directly to your solicitor.

Whilst we believe the provision of a funeral to be a complete service, in accordance with the agreement between the National Association of Funeral Directors and the Office of Fair Trading we provide below a breakdown of our inclusive funeral charges.
