TAILORED FUNERAL CHARGES - 2022

THE PROFESSIONAL SERVICE

This includes making all necessary arrangements for cremation / burial, preparing and attending to all necessary documentation and the provision of a Funeral Director. The use of a private Chapel of Rest and the provision of a 24 hour service for the assistance of our clients.

THE VEHICLE CHARGE

Provision of a Jaguar hearse (or similar) up to 25 miles total.

THE COFFIN CHARGE

The supply of a fully furnished coffin of your choice from the selection.

DISBURSEMENTS

These include, for example, doctor's fees, church/clergy fees, and burial or cremation fees and are paid by us on your behalf. A detailed breakdown of these disbursements will be provided. Payment will be requested for these amounts prior to the funeral taking place.

ESTIMATE / ACCOUNT

At the time of making the funeral arrangements we will provide a written estimate showing as accurately as possible the total cost of the funeral including disbursements. An account will then be forwarded approximately 7 days after the funeral service; this will be sent to you, unless you instruct us to send it directly to your solicitor.

Whilst we believe the provision of a funeral to be a complete service, in accordance with the agreement between the National Association of Funeral Directors and the Office of Fair Trading we provide below a breakdown of our inclusive funeral charges.

NATURAL BURIAL GROUND

delivery only

£2,550.00
plus coffin

Some natural burial grounds offer services that only require the Funeral Director to facilitate the start of the service, and the care and preparation prior to the day of the Funeral. For this our fees are as stated plus the coffin of your choice. We will arrive on the day in a suitable vehicle and position your loved one in the chapel, ready for the staff of the natural burial site to take over from ourselves.
